The screenshot shows the user interface of the Randstad Risesmart platform. At the top, the logo 'randstad risesmart' is on the left, and navigation links 'crea curriculum', 'il mio coach', 'assistenza', and a notification bell with '10' are on the right. Below this is a secondary navigation bar with 'pagina iniziale', 'il mio percorso', 'opportunità', 'networking', 'eventi', 'risorse', and a 'guidami' button.

The main content area is personalized for 'mario demo dvp' (md). It features a profile completion progress bar at 59% with a 'completa il mio profilo' button. Below that, there's a section for 'il mio curriculum:' with a 'crea il mio curriculum' button. Further down, a '4 target interni salvati' section has a right arrow, and a '0 networking aggiungi contatti' section is at the bottom.

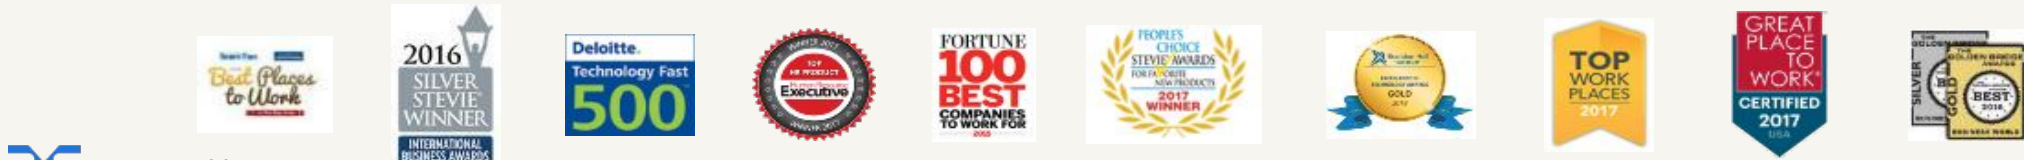

The central focus is a card titled 'esploro opportunità alternative' with the text 'Esplora le risorse che ti consentono di valutare opzioni alternative all'interno della tua azienda e assumi il controllo della tua carriera.' and a 'continua' button. Below this is a 'lavori consigliati' section with a 'visualizza tutti' link. It displays three job listings: 'operaio addetto al picking e preparazione ordini - settore agroalimentare' from 'scaligera fruit coop', and 'it-ven-verona'.

On the far right, a vertical blue bar contains a question mark icon and the text 'guida di avvio rapido'. A blue chat icon is located at the bottom right of the dashboard.
